

Subject: BROWN ALUMINUM NASAL SPLINT

In late 2016, Integra (Jarit/Padget) discontinued a style of aluminum external nasal splint, “The ***BROWN***” ***Nasal Splint***, with and without forehead extension.

Many of you have requested a substitute for the discontinued Brown style, and Invotec has delivered.

Introducing the SOFT-FORM AL-B™ external aluminum nasal splint.

Brand Name	Invotec Catalog #	Padget (Integra) Brown Split Catalog #	Description	Box UOM	Box Cost
SOFT-FORM AL-B™ ALUMINUM NASAL SPLINT, small	20-10300B	P363	Aluminum external nasal splint without padding, dorsum pad, adhesive, and forehead extension. small size	10 splints	\$80
SOFT-FORM AL-B™ ALUMINUM NASAL SPLINT, regular	20-10310B	P362	Aluminum external nasal splint without padding, dorsum pad, adhesive and forehead extension, regular size	10 splints	\$80
NA	NA	P361	LARGE SIZE NOT AVAILABLE	NA	NA

Like the Brown style pictured above, the Soft-Form AL-B™ aluminum nasal splint has no dorsum pad, padding or adhesive or forehead extension.. The surgeon who prefers the AL-B style is looking for a basic, simple aluminum splint.
